

More sustainable printing with enhanced productivity

PRECISIONCORE
HEAT•FREE

Small and compact

High yield consumables. Initialisation inks now included with each device

Stress free maintenance

Modular design

Up to 300gsm paper weight support

High productivity through Epson Heat-Free printing technology

Flexible, compact, modular finishing

Precision Core LIJ technology

Improved reliability and productivity through new shorter paper path

Basic configuration with additional 2 x 500 sheet cassette.

New large 10.1" LCD

Basic configuration with additional 2 x 500 sheet cassette and inner finisher.

Modular design allowing you to build to your device to your requirements

Basic configuration with additional 2 x 500 sheet cassette. With staple finisher.

Basic configuration with additional 2 x 500 sheet cassette. With booklet finisher and optional 3000 sheet HCT.

Technical specifications*

Lower energy consumption

Less replacement parts vs LP
